

Job opening: postdoctoral researcher

Vasishth Lab: www.ling.uni-potsdam.de/~vasishth

November 21, 2017

A postdoctoral position (up to five years). We are looking for a psycholinguist with a specialisation in sentence comprehension, with a focus on any of the following areas: computational/cognitive modelling, applications of statistical methods to linguistics and psychology, or experimental research. Knowledge of German is not necessary, but is desirable. The candidate will be expected to teach two 90 minute lectures every semester in a topic related to sentence comprehension, and to collaborate with lab members on ongoing research projects. Further details are available on request. The expected start date is October 1, 2018, or as soon as possible thereafter. The position will remain open until a suitable candidate is found.

To apply, please send a CV with names of two referees, and a research statement as a single PDF file, to vasishth@uni-potsdam.de.
